Augusta Market.

Augusta Market.

AUGUSTA, December 17.—COTTON—The market opened brisk, with a good demand for New York middling at 14c, but after the receipt of noon advices from New York and Liverpool, which affected our market, caused it to close easy, without quotable change. New York Middling 14c. Total sales 539 bales. Receipts 1455 bales. The following are Monday's sales and receipts, which we omitted to publish in our report yesterday morning: Sales 729, and receipts 970 bales.

BACON—Smoked Shoulders 13a13½; B B Sides 14½a15; C B sides 15½a16; C Sides 16a16½; Dry Salted Shoulders 11a13½; Dry alted C R Sides 18¼a14; Hams 18a2; ets. The above quotations are for large packages; small lots will be ½a1c higher than these figures.

SYRHYS TURPENTINE—Has further decimed, and we quote sales t.-d. y of 250 bbls at 46c per gallon.

a2 50 for No 1.

New Orleans Market.

New Orleans Market.

NEW ORLEANS, December 13.—('OTTON—The sales to-day summed up 4200 bases at full prices during the early part of the day, but easier towards the close. We now quote Ord.nsry at 12½a12½c, Good Ordinary at 13½ al3½c, Low Muching at 14a12½c, Middling at —a14½c, and strict Middling at 15a15½c.

In giving the above figur-s it is proper to state that the outside rate [14½c] or Low Middling, is for strict classification, and that exceptional sales of Middling vere made at a fraction less than 14½c; an fact, there was a good deal of irregularity throughout, small lots selling cheaper than larger lists. During the early part of the day the tone of the market was apparently stronger, there was a moderate supply offering, and factors met the demend less freely, but at a later hour the advantage was again on the side of the buyer, and purchases could readily be made at the above figures. In comparing prices with last Friday's, we find a total decline of ½a1c & lb, but the reduction from the highest point on saturday and Monday is la1½c. The sales of the past three days comprise 11,500 bales, making a total for the week of 21,250, against 27,550 last week, and 2400 the week betore. The demand has been partly for the North, but mostly for foreign export. The receipts proper for the week's amount to 22,278 bales, against 26,470 last week, showing a decrease of 2192 bales. The receipts proper for the week's exports comprise 22,123 bales, embracing 10,544 to Liverpool, 5650 to Havre, 4903 to Barcelons, 74 to Boston, and 894 to New York.

The Baltimore Sun of Monday, the 16th inst., says:

Dispatches from Washington on Saturday state that the Senate analoc committee, after a lengthy discussion of the financial question, agreed to postpoue action until the next meeting. It is hinted that a new scheme will be presented as a substitute for the currency contract in bull, which, it is though, will satisfy the Ho se and be approved by the Secretary. It seems to be generally be: leved that the finance come it tee will not agree to the respective or cancel United States notes. Secretary McCu loch is oppo ed to it in its present shape, and the opmon is that the committee councide with him, and therefore it is likely to be so amended as to leave with the Secretary power o contract, in his discretion, a cirtain amount of legal teneral each month, not exceeding, perhaps, one or two millions, instead of four millions, as now provided by law.
